PROFESSIONAL SUMMARY

Product Designer specializing in accessible, user-centered design for consumer apps and AI-powered tools. Experienced across the full UX lifecycle: research, wireframing, prototyping, usability testing, and design systems, with a focus on intuitive, data-informed experiences. Skilled in Figma and AI-augmented design workflows, with strong cross-functional collaboration from concept to launch.

PROFESSIONAL EXPERIENCE

UI/UX Design Intern – Klinos | Rancho Cucamonga, CA | *Feb 2026 – May 2026*

- Spearheaded 0-to-1 product design for a new app and website, taking concepts from initial wireframes to high-fidelity prototypes and a design system that streamlined design-to-development handoff
- Facilitated cross-functional alignment sessions with engineering and product management, translating requirements into accessible, user-centered solutions from kickoff through launch

UI/UX Design Intern – Rockin Technology Web Marketing | Torrance, CA | *May 2023 – Aug 2023*

- Designed and shipped 5+ responsive WordPress templates, boosting mobile usability scores by 40% and ensuring cross-device compatibility
- Conducted competitive analysis across 5+ clients, applying data-driven UX principles to optimize landing pages and lift user engagement and conversion rates

PROJECT EXPERIENCE

AI Product Innovation – Video Asset Management – Lemonlight Studios | Los Angeles, CA | *Sep 2025*

- Designed an AI-powered platform with automated content tagging, intelligent search, and editing workflows, reducing post-production time by up to 60%; leveraged Runway & Google Labs for competitive research
- Built and presented a full product pitch to company leadership, demonstrating strong strategic communication alongside design execution

Enterprise Design System Development – Best Buy | West Lafayette, IN | *Jan – May 2023*

- Architected a scalable collaboration platform for 100+ employees with modular design components and a reusable component library, reducing development time by 35%
- Authored comprehensive design system documentation covering accessibility standards, component usage, and brand guidelines, unifying UX across all product touchpoints

EDUCATION

M.S. Integrated Design, Business & Technology – University of Southern California | *May 2026* | *GPA: 4.00*

B.S. Computer Graphics, UX Design Specialization – Purdue University | *May 2024* | *GPA: 3.84*

CERTIFICATIONS

Google UX Design Professional Certificate | *July 2025*

Hands-on activities and assessments to develop proficiency in empathizing with users, defining pain points, ideating solutions, creating wireframes and prototypes, and testing designs.
